

Hope for Tomorrow

Bringing cancer treatment closer to home

PLEASE READ THIS LETTER: IT'S IMPORTANT

Dear Supporter,

HELP US CONTINUE TO BRING CANCER CARE CLOSER TO HOME

At Hope for Tomorrow, whether you're giving your time or money, we really value your support. It helps us to keep the wheels turning on our Mobile Chemotherapy Units.

We want to continue to keep in touch with you but we need your permission. From May 2018, all charities will have to ask their supporters to 'opt-in' to any communications. Please help us by completing the form below and returning it via email or post (details below)– it's as simple as that.

We are committed to best practice and respect your privacy. If you change your mind and want to stop receiving our communications, then get in touch and we'll update our records.

Thank you for your continued interest in Hope for Tomorrow.

Yours sincerely,

Christine Mills MBE
