Proposal

Help us to drive cancer care forward

Hope for Tomorrow is *the* mobile cancer care charity. We design, build and maintain mobile cancer care units that bring cancer services closer to patients in their communities. Every 75 seconds, someone in the UK receives a cancer diagnosis, and how and where they access cancer care matters.

We currently operate 14 mobile units in partnership with nine NHS trusts, travelling to convenient community locations so that patients can access cancer services locally, saving significant time, money, travel and stress. With no statutory funding, we are entirely reliant on the generosity of our supporters to continue our work, bringing our pioneering model of accessible, community-based cancer care to more patients and more patient groups across the UK.

Golf Day 2026

The Players Golf Club

Our 2026 **Hope for Tomorrow Golf Day** will take place on the Codrington course at The Players Golf Club in Chipping Sodbury, Bristol.

Equally challenging and beautiful, this course has been framed amongst woodland, combining an eclectic blend of modern and links style design with numerous bunkers and lakes coming into play on almost every hole which only further adds to the exciting character of what is known as one of the toughest courses in the South-West.

We're inviting local businesses and individuals to join us for 18 holes at this beautiful course, to raise money in aid of Hope for Tomorrow.

Sponsorship Opportunities

Why sponsor a Hope for Tomorrow Golf Day?

Association with our fundraising event will not only support cancer patients but will also:

- Promote your company to a wide range of businesses and individuals locally and across the UK.
- Create PR and marketing opportunities for your company
- Give recognition of your company's commitment to the local community
- Create links to other companies supporting Hope for Tomorrow
- Raise the profile of your company online

Headline Sponsor £4,000
