Proposal

Help us to drive cancer care forward

At Hope for Tomorrow we believe that everyone should have a choice over the way they receive their cancer care treatment, wherever and wherever they are.

Hope for Tomorrow fundraises to develop, build, and maintain world-class mobile cancer care units to support NHS patients by taking their cancer care into their local communities. By having their treatment on-board our units, people across England, living with cancer, can maintain their independence and quality of life. Saving time and money during a difficult time in their lives.

Working in partnership with NHS Trusts, our fleet of mobile cancer care units and nurse support vehicles bring cancer services closer to patients in their local community. Since 2007, our units have welcomed thousands of patients across England. Last year, over 26,700 patient visits took place on board our units.

It costs us £212 per day to keep one of our mobile cancer care units on the road, treating on average 20 patients per day.

How your support will make a difference

Your support will have a huge impact. It will enable us and our NHS Trust Partners to be there for local people in real need. Our units:

- Reduce travelling time for patients
- Take the pressure off NHS cancer treatment waiting lists
- Enable our mobile cancer care units to treat patients with less complex needs, so that patients requiring more specialist treatment can be seen quickly within a hospital oncology centre
- Make cancer patients' experience less stressful
- Save cancer patients money, such as fuel and car parking fees
- Allow cancer patients to gain back their independence, ensuring their treatment doesn't dictate their lives

Amy, a patient from Stroud, who receives her treatment on board her local mobile cancer care unit told us:

“What I like about the unit is it’s much more relaxed. It’s more intimate so you can have a chat and a cup of tea; you’re all in there together. Unlike hospital, there’s no hanging around in a big clinical waiting room with lots of people, not knowing if you’ll see the same specialists as before.”

Golf day 2025

Minchinhampton Golf Club

Our 2025 **Hope for Tomorrow Golf Day** will once again take place at the acclaimed **Minchinhampton Golf Course** near Stroud on the Championship Avening Course.

A classic parkland layout, designed by Fred Hawtree, the older of the two 'New' courses features several lakes, fairways lined with a rich variety of specimen trees, strategic bunkering, and challenging greens.

Set atop the rolling Cotswold countryside, the course offers stunning panoramic vistas of the nearby village that lends the course its name, and regularly plays host to national, regional and county competitions. The Avening Course, in its original layout has been chosen to host the Open Championship Regional Qualifying between 2018 and 2024.

On the day

Minchinhampton Golf Club

The day will include tea/coffee and bacon rolls in the morning, followed by a post-golf buffet. Tee-off time is from 08:30 and there will be prizes for the winners and runners-up and the chance to win some fantastic raffle prizes.

We're inviting local businesses and individuals to join us for 18 holes at this beautiful course, to raise money in aid of Hope for Tomorrow.

The golf day takes place on Friday 27 June 2025.
