

### Thank you for choosing to support Hope for Tomorrow by hosting a Cuppa for Cancer Care Event

Whether you're bringing together friends and family, rallying your community group, or engaging your workplace, your support and donations will help bring cancer care closer to home for patients across the country.

### Getting started with JustGiving

It's quick and easy to set up your fundraising page and start collecting donations for your event. Here's how:

Go to [justgiving.com/campaign/cuppa2026](https://justgiving.com/campaign/cuppa2026) and click the orange "Start Fundraising" button.

Login or click "Sign up" towards the bottom of the page to create your account if you're new to JustGiving.

Because you visited the Hope for Tomorrow Cuppa for Cancer Care 2026 JustGiving page first, your fundraising page will automatically link to ours. At the end of the process, your page will show that you are fundraising for "Hope for Tomorrow" (Charity number 1094677)

- Follow the steps and select "I'm doing my own activity"
- Type of Activity - something else
- Activity details - Your 2026 Cuppa for Cancer Care event
- Add the date of your event

Together, we can bring cancer care closer to those who need it, thank you for your wonderful support!

**Personalise your page** - add more details and images, this is where you can tell your story and inspire others to support your event:

- Give your page a welcoming title - something that makes it clear what your event is
- Set a fundraising target
- Set your own custom fundraising page URL
- Share why you're supporting Hope for Tomorrow
- Add photos of your preparations - keep supporters updated!
- Tell people how their donations will make a difference.

**Spread the word** - share the link to your page far and wide, invite guests to your Cuppa for Cancer Care event and let them know how and where they can donate.

Once you have completed the setup of your fundraising page, JustGiving will generate a unique QR code for you. You can find this by going to the 'edit' page, followed by the 'share' tab. Make sure you save this QR code so you can use it in the future. You can print out your QR code and use it on your posters and donation box. You may stick it over the exciting QR code provided on the materials within your fundraising pack.

## Remember!

**Enable GiftAid on your JustGiving Page** - it adds 25% to eligible donations at no extra cost to your supporters or us. If your guests are donating cash, please encourage them to complete the Gift Aid form which comes in your Fundraising Pack. This will make their support go even further!

**Thank your donors** - your support and theirs means so much.

**Share the impact** of Hope for Tomorrow's mobile cancer care units in your community.
