Has Anyone Seen Alan at your event?

Have some fun at your event by taking part in a little scavenger hunt! Simply cut out the tokens and hide them around your event area. Then let the fun begin as everyone searches to see who can collect the most!

Feel free to print additional sheets if you'd like more tokens to hide. You could even offer a small prize for the winners, or simply let them enjoy the bragging rights!

Anyone Seen Alan?

Can you spot our little gingerbread friend in each of the 6 comics below?

Make sure you read each one to learn more about what we do!

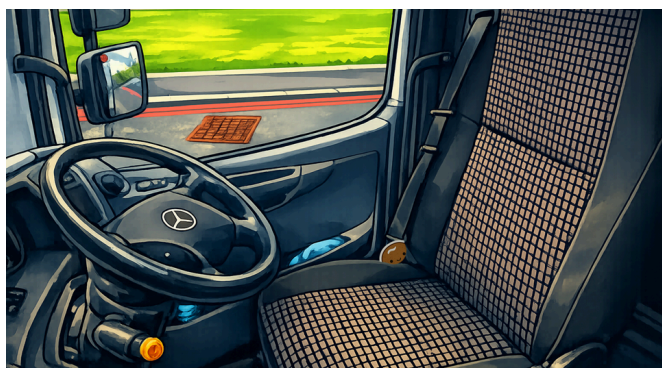

OUR MOBILE CANCER CARE UNITS HAVE 4 SEATS WHERE PATIENTS CAN ACCESS THEIR TREATMENT. TWO NHS NURSES LOOK AFTER FOUR PATIENTS AT A TIME, AND EACH UNIT CAN HELP UP TO 20 PATIENTS EVERY DAY.

Where's Alan?

OUR MOBILE UNITS VISIT PLACES THAT ARE EASY FOR PEOPLE TO GET TO, SUCH AS COMMUNITY CENTRES AND SUPERMARKETS LIKE TESCO, MORRISONS AND ASDA, SO PATIENTS CAN GET THEIR CANCER CARE CLOSER TO WHERE THEY LIVE AND WORK.

Where's Alan?

THIS IS WHERE THE DRIVER SITS. THE DRIVER DOESN'T JUST DRIVE THE UNIT – THEY HELP GET EVERYTHING READY FOR THE NURSES AND PATIENTS AND EVEN MAKE CUPS OF TEA AND COFFEE TO HELP PEOPLE FEEL AT HOME.

Where's Alan?

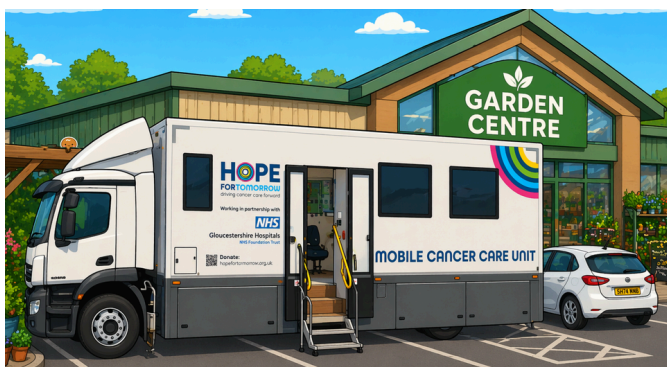

OUR MOBILE CANCER CARE UNITS MAKE IT EASIER FOR PEOPLE WITH CANCER TO GET THE CANCER SERVICES THEY NEED. THEY PROVIDE THE SAME GREAT CARE AS A HOSPITAL, BUT IN A SAFE, COMFORTABLE PLACE THAT'S EASIER TO ACCESS AND MORE CONVENIENT.

Where's Alan?

FOR PEOPLE LIVING WITH CANCER, OUR MOBILE UNITS CAN SAVE A LOT OF TIME. INSTEAD OF SPENDING MOST OF THE DAY TRAVELLING TO A HOSPITAL, THEY CAN VISIT A UNIT NEARBY AND RECEIVE THEIR CANCER CARE MUCH QUICKER.

Where's Alan?

IN SOME PLACES, OUR MOBILE UNITS STOP NEAR COMMUNITY CENTRES, GARDEN CENTRES AND VILLAGE HALLS. THIS HELPS BRING CANCER CARE CLOSER TO PATIENTS, BY BRINGING IT INTO THEIR LOCAL COMMUNITY.

Where's Alan?
